### Stephen Foster Campout

April 19-21 the Scouts went on a soggy campout to [Stephen Foster State Park](#). Dr. Beaver shared the rain provided the opportunity for the Scouts to learn and some instruction to occur regarding camping in wet conditions. Unfortunately, the canoeing was cancelled due to the weather, but hiking was enjoyed instead. In addition to a five mile hike there was a blacksmith on site that took time to teach the boys. Each of them walked away with a metal souvenir of the weekend. Sunday morning the Scouts raked the leaves at the base of pine trees to prepare for an upcoming controlled burn. Everyone dried out and will be ready for our next campout!

### ADVANCEMENT

We have a Court of Honor set for June 11th, in the FLC, so remember your Full Class A uniform. Also, remember the [Court of Honor](#) is a family affair, so the whole family needs to come along. Recognition of achievement is a key part of Scouting: even if you are not receiving anything, come and congratulate your fellow Scouts. Plus there will be food!

### UCOM

As a Troop, we have served one Tuesday a month at [UCOM](#). Many Scouts have volunteered their time this spring and have made a positive impact in our community. We will suspend this volunteering until the fall. Look for the sign-up sheet in the Scout Room in September. A huge thank you to Mrs. Morris for coordinating this service project! Scouts, thank you for your Service!

### CAMP CARDS

Camp card money is now due. For each packet of 10 cards a total of \$50 is owed. Half of the proceeds will go to your scout account to be used for future expenditures (i.e. camp costs, etc.) and the other half will reimburse the Troop. So, if you sold camp cards please bring your funds to COH and turn them into Ms. Andersen, Troop 35 Treasurer. If you took camp cards and did not sell them they need to be returned. *We still have some cards left to sell so, see Ms. Andersen if you'd like to have them!*

### Hanna Park Mountain Biking

On May 11<sup>th</sup>, 11 Scouts and 5 Scouters biked the trails at [Hanna Park](#) in Atlantic Beach. The park offers more than 20 miles of bike trails for all levels of experience and terrain. Scouts of all ages participated and would agree the outing was a success! After biking, the Scouts

completed two water rescue requirements in the ocean.
