

UNIFORM ORDER FORM

Each year we have an opportunity to order new uniform items customized with our Troop 35 logo. The class "A" and "B" uniform items are essential for full dress and other events, service projects, and campouts, including summer troop camps. The class "A" Official Boy Scout Uniform components can be purchased at various locations, the following being the most common.

The Scout Shop
521 South Edgewood Avenue
904.388.0591

Army Navy Outdoors
127 Monument Road
904.725.5000

They also can be ordered from the Boy Scout catalog.

The class "B" custom Troop 35 uniform tees, polos, and neckerchiefs are available only through this troop order form. Most families order several or more tees. If you are a new troop member who is ordering for the first time or a member who is adding or replacing items, please read the descriptions carefully and mark the order form completely. Many parents who plan to become active with the troop in camping and other activities also order one or several of the tees, and/or polos. Please remember to include adult orders on this form, then return the forms as directed with payment in full. Make checks payable to Troop 35. If you have questions, see Elmyra Morris.
